

Schuykill Valley Little League
April 18, 2011
Meeting Minutes (subject to approval)

Attendance: Rich Bagenstose, Bob Kline, Jon Gable, Mark Emes, Scott Rickert, Chris Jozwiak, Steff Emes, Tom Knopsnyder, Paul Becker

Meeting Minutes from Last Month: Approved.

Presidents Report: Bern field improvements are moving forward. Fifteen tons of Diamond-Tex soil was delivered today, but was not spread. This was due to the infield's wet conditions.

Holly Hoffman's resignation was received and accepted by the board. Thank you Holly for all you have done for the league.

There was a motion made to replace her with Scott Rickert. Rich made the motion and Mark seconded it. The vote was unanimous.

Vice President: Schedule is finally done, thank you for your patience.

Jon will change Paul's game on the 7th to a later time so as to be under the lights for the entire game.

District 8 contact list will be mailed out this week for all of the coaches.

Jon is working on the trophies for the end of the season closing day.

Picture day is the 30th of April; Scott will contact Photo Pro to confirm that everything is set up and ready, as well as May 7th being our rain date and action shots by the Photographer.

Treasurer Report: Was given and accepted.

Equipment Manager: All bat inspections are done except one team, that will be done this week.

Umpire Coordinator: Struggling to get the Volunteers to commit to umpiring games, it's still early so I still am confident we will work something out.

Sponsorships were not as productive as we had hoped, however Shell's, Sheetz, and Promax are getting new banners made and they should be complete soon.

We also discussed other ways of raising money this year: Raffling of gift card for groceries, gas, sporting goods, etc.

Other Business: A decision was made to bring in 2 port a potties behind the main grandstand as in years past. Tom Knopsnyder has generously offered to donate the money for one of those and the league will take care of the other. Thank you Tom. The bathrooms located at the playground will also be available for those who need it, the keys are in the shed and it must be locked after use and left in a sanitary condition. Also for safety reasons all children who use the playground facilities must have their parent with them or two adults from your team.

50/70: The 50/70 league that will be in the summer will be having a separate registration for those who want to participate in that program. Rich made a motion to put together a registration form for the 50/70, Paul 2nd. All approved. Rich motioned that the fee be \$30.00, Scott 2nd. All approved.

All-Star Team: A protocol for the team will be put together for all-stars by Mark.

Reading Phillies: Reading Phillies money is due by the 26th; discussed making it for immediate family at first then opening it up to first come first serve.

Meeting Adjourned
