Fronteir Communication is donating the poles. -24 lights total- We will need numerous volunteers the first day of the project. Project date to be finished sometime the end of September.

**Fall Ball** – Mark Emes reported there are 72 players for fall ball 2010. There will be 1 major team, 2 minor teams, and 3 coach pitch teams. It's the most players SV has ever had for fall ball. Paul reported he has 3 sponsors for the minor and major teams. Mark and Jon prefer that the coaches not have new coaching shirts and hats to keep costs down. Uniforms will consist of a shirt and hat. The board needs to consider charging for fall ball next year due to the high costs of uniforms.
