

Schuylkill Valley Little League
July 29th, 2010
Meeting Minutes

Attendance: Mark Emes, Paul Becker, Greg Dimovitz, Jon Gabel

Treasurer's Report: No full report at this time.
Greg Dimovitz gave a brief report during the July meeting.

July Business: Greg Dimovitz took the League computer (Compaq laptop) to PC Computer Ninja because the power supply was shot.

Greg closed down SVLL's two CD's w/ Vist. He met w/ Kelly Brzezicki (three treasurer's ago) who had opened up the CD's for us. Kelly had to sign off on the closing and the money was transferred to our checking account. There was about a \$30 penalty per CD for closing down early. That's ok because we've been making way more than that on the interest over the last few years.

SVLL now has only two bank accounts left which is reported per Greg:

1. Concessions Account: \$5,695.85. (Greg Dimovitz w/ check writing priviledges only. I have a form for Sue Bevans to sign to add her to the account)
2. Main Checking Account: \$37,443.43. (Greg Dimovitz w/ check writing priviledges only. I need to get Jon Gabel in to Vist one day to add him to the account)

Greg suggests we add Jon Gabel to the Concessions account as well. We can add as many or as few Board Members as we need. We'll also add our next Treasurer to it too. Greg will also be ordering new checks for our accounts that will require two signatures.

We're going to spend about \$35,000 on our lighting project next month, leaving us w/ a balance of around \$7000. Paul has done an outstanding job on seeing this through! Paul is working with Pagoda Electric to make sure our wiring will be underground instead of above ground as they'd originally proposed. We will be renting a 'ditch-witch' auger when the time arises and we'll be asking for able-bodied men & women volunteers from the community to bring their shovels to help with the installation.

Mark is anticipating over 70 kids for fall ball. He is looking at the possibility of 6 teams which would consist of 3 coach pitch teams, 2 minor teams, and 1 major team. Fall Ball registration deadline is August 1st.

Meeting adjourned.

Next meeting will be on Monday, August 16, 2010
