1) Manager and Coach Requirements and Responsibilities

- a) During the registration process, all interested volunteers shall complete a volunteer form and add their name to a list for Manager and Coach consideration. Qualified Managers and Coaches must possess leadership ability, the know-how to work with children and be skilled at training in the fundamentals of teamwork and good sportsmanship.
 - i) The Coaching Director reviews all names to be included and prepares a list, by division, of prospective Managers. The list is presented to the Executive Board for approval prior to assessments.
 - ii) Coaches will be selected by Managers, and names will be provided to Division Directors and Executive Board for approval. Volunteer applications are to be turned in for all Managers and Coaches for each team.
 - iii) Managers will be responsible for providing coaches, team parent, scorekeepers, and parent support for snack bar assignments, field preparation and maintenance and providing umpires if required by that Division. Failure to comply with scorekeeping duties, snack bar assignments, and field preparation and maintenance is subject to disciplinary action.
 - iv) Managers and Coaches will participate in league sponsored clinics and field maintenance days. Failure to participate could affect eligibility for post season manager or coach position, i.e. All Stars and TOC.
 - v) Equipment will be dispersed by the Equipment Manager. Each Division Director will assist the Equipment Manager with the return of their Division's equipment and verify it against the equipment inventory list. Failure to return equipment assigned may result in disqualification from future Manager consideration.
 - vi) It will be the responsibility of the Manager to ensure that there is no food on the field or in the dugout while playing; this includes chewing gum and sunflower seeds.
 - vii) Managers are responsible for ensuring all players comply with uniform, equipment, and safety rules for each game as outlined by Little League.
 - viii) Failure to comply with cleaning the dugout, bleachers, and adhering to uniform, equipment, and safety guidelines is subject to disciplinary action.
 - ix) Managers and Coaches are not permitted to hold team practices off-site, except for facilities which carry their own liability insurance, as opposed to public parks and other public facilities. Violation of this may result in disciplinary action.
 - x) All Managers and Coaches are required to read the current official Little League Rulebook and adhere to the guidelines and rules therein. Managers and Coaches are also required to read and abide by the SVLL Local Rules and Safety Plan.
 - xi) The Disciplinary Committee (President, Vice Presidents and applicable Executive Board Member(s)) will review each violation of rules and code of conduct on a case-by-case basis and will determine disciplinary action for all incidents and/or conduct violations. Penalties can range from a verbal warning through removal/suspension for the entire season and disqualification for post season and future play, management and/or coaching for the league. Conduct while engaging in any Little League activity on or off the field is of the utmost importance. Players, Managers, Coaches and Parents are expected to exhibit the highest level of respect for the game, the facility, the umpires, and their fellow members.
 - xii) All Managers and Coaches must have the required training completed prior to the first practice. All team parents must have the required training completed before the first game.

2) Team Selection, Assessments, Draft, Lost Player(s) Guidelines, and Pool Players

- a) Upon determining the dates of registration and gathering all required documentation, the SVLL Player Agents will conduct assessments.
 - i) Assessments will be in January and all players (Minor B and above) must assess. A schedule will be provided during registration, and the assessments will be conducted according to league age and division. Players who fail to assess may be disqualified, placed on the waiting list, or at the discretion of the Player Agents be placed in the blind draw or the regular draft. Players must be fully verified by a Board Member prior to participating in assessments.
 - ii) All Board members will be present with prospective Managers to prepare the field and coordinate the assessments.
 - iii) All players wishing to assess for a higher division will assess in both their appropriate league age group and for the higher division. An assessment does not guarantee team placement in the higher division. There must be available roster spots in the higher division, and the player must be drafted by a Manager in the higher division by the designated round.
- b) Draft will be attended by Player Agents, the President, and Managers. The Manager may forfeit their draft seat to a potential Coach if they are unavailable.
 - i) Draft will be conducted according to the Little League Operating procedures and will be outlined the night of the draft. SVLL will redraft annually and use the serpentine method. Draft order is determined the night of the draft.
 - ii) Players Little League age (LLA) 10, 11 and 12 years old are eligible for the Majors Division draft. In order for a LLA 9-year-old player to be considered for the Majors Division, the Board of Directors must receive in writing from the parent during registration the request of intent. The player will be allowed to assess; however, assessing for the Majors Division does not guarantee a player will be drafted to the Majors Division.
 - iii) Majors teams will attempt to draft 12 players to each team. Eligible LLA 10-year-old players can be drafted to the Majors Division based on availability and skill to complete teams. The exception to this rule is if the parent has notified the Board at registration that they do not want their player to be considered for Majors.
 - iv) A Majors Manager's LLA 12-year-old player will be drafted in the 3rd round, their LLA 11-year-old player will be drafted in the 4th round, and their LLA 10-year-old player will be in the 5th round. Any LLA 10-year-old drafted to the Majors division must be drafted by the 6th round.
 - v) A Minor A Manager's LLA 10-year-old player will be drafted in the 4th round, their LLA 9-year-old will be drafted in the 5th round, and their LLA 8-year-old player will be drafted in the 6th round. Any LLA 8-year-old drafted to the Minor A division must be drafted by the 6th round.
 - vi) A Minor B Manager's LLA 8-year-old player will be drafted in the 4th round, their LLA 7-year-old player will be drafted in the 5th round, and their LLA 6-year-old player will be drafted in the 6th round.
 - vii) All trades must be equitable and completed the night of the draft or within the number of days set by the Player Agents for each division draft. All trades must be approved by the Player Agents. Rosters will not be distributed to any Managers until all trades have been completed.

NOTE: NO ELECTRONICS WILL BE ALLOWED IN ROOM ON DRAFT DAY AND A CONFIDENTIALITY FORM MUST BE SIGNED BY ALL PARTICIPANTS.

c) Vacancy

i) Lost Player(s) must be reported by Managers to the Player Agents after two

consecutive unreported absences (practices and/or games). Failure of a Manager to notify the Player Agents of a vacancy within the specified time may result in suspension and loss of post season team management eligibility. The Player Agents will attempt to ascertain if the player has decided to discontinue participation in the current season and if so, remove them from the team roster.

- ii) If a player is removed from a team roster, the Player Agents will notify the Manager if a player is available from the waitlist. If a player is available, the Manager is required to add that player to their roster.
- iii) In accordance with Little League Regulation III (d) Note 2 when a player misses seven (7) continuous days of participation (practices and/or games) for an illness or injury, a physician or other accredited medical provider must give written permission for a return to full baseball activity. This written release should be given to the Division Director and Player Agents.
- iv) Injured players who miss 41% or more of the games may be released and a replacement player will be obtained according to the above procedures at the discretion of the Player Agents.
- v) In accordance with Little League Regulations for Player Eligibility in Tournament play, (T-6) only a player who has participated in at least 60% of the Spring season games as of June 15 is eligible for post season play.

EXCEPTION: The local league board of directors may permit a player to be eligible for selection, who does not meet the 60% requirement, if they provide a physician's note documenting an injury or illness prior to or during the current season prohibiting participation and such note releases the player for the balance of the Spring Season and/or Tournament Play.

vi) There will be no call-ups to any division within the last 4 games of the Spring season

EXCEPTION: Player Agents may temporarily replace a vacancy to prevent a forfeited game if it is during the end of the regular season playoff tournament.

d) Pool Players

- i) Player Agents will invite all registered players in the Minor B through Majors divisions to participate in the player pool at the beginning of the season.
- ii) Managers who require pool players to meet their minimum player requirements will notify the Player Agents ASAP.
- iii) Player Agents will assign available players from the pool at their discretion.
- iv) Pool players shall not pitch. If the pool player is scheduled to play for his/her regular team the same day, they also cannot catch. If they have already played, and did not throw more than 40 pitches, then they are eligible to catch as a pool player.
- v) Pool players are expected to play in their own scheduled game prior to being eligible to pool play.
- vi) There will be no pool players for playoffs.

- x) Time limit of game will vary by Division.
 - (1) Majors will not have a time limit.

believe they will not have a legitimate path to winning the game due to time running out. Once an inning is declared open, the game will be final at the end of that inning, unless there is a tie and time permits for extra innings. Time limit and darkness may determine the ability to play the open inning. Failure to announce the open inning may result in the open inning reverting to the $\frac{1}{2}$ inning run maximum.

- xii) Run Rules for Majors and Minor A divisions:
 - (1) 15 runs (or more) after three completed innings
 - (2) 10 runs (or more) after four completed innings

 - **NOTE 2**: There is no exception to this rule unless the game is shortened for any reason, at which time the local league may elect not to impose a penalty on the manager/coach. However, the penalty in this regulation regarding the player who did not meet the mandatory play cannot be reduced or waived in a shortened game.

 - (1) Both teams must ensure the umpire who was at your game is aware of this so the game can be finished.
 - (2) If these games are not made up within two weeks, the game will be ruled final with the team ahead determined as the winner. This will avoid making up several games at the end of the season.
- xvi)At the beginning of the game Managers, Coaches and Players will be reminded by the Umpire of the code of conduct and warned about throwing of any items, inappropriate language or conduct. Such conduct will result in ejection from the game. Little League Rulebook rules apply to all ejections. However, the Disciplinary Committee, at their discretion, reserves the right to impose a more severe penalty.
 - (1) When a Manager, Coach, or Player is ejected from a game, they shall leave the field immediately and take no further part in that game. They may not sit in the stands and may not be recalled. A Manager or Coach ejected from a game must not be present at the game site for the remainder of the game. When a fan is ejected from a game, they must leave the game site immediately.

This includes pregame or postgame activities. If the Manager or Coach is a Manager, Coach, or fan of another team, they are also suspended from that team's activities until their full suspension is served. The Manager, Coach or Player will also be considered as potentially ineligible for any postseason team placement.
- (4) Third Violation: Any Manager, Coach, Player, or fan ejected from a third game in the same season will be suspended for the remainder of the season, including the postseason. This includes pregame or postgame activities.

- xvii) All Managers shall do everything possible to avoid a protest. Refer to Little League Rulebook for how to handle a protest. Failure to comply with these procedures nullifies such protest as invalid.
 - (1) Protest committee: The League President/Vice President of Admin/Umpire and Division Director. If the League President/Vice President of Admin or Division Director is a Manager/Coach in that Division, the board will appoint another protest committee member, as needed.
- xviii)All Managers will be responsible for making sure that only Little League Approved Bats are used for practice and games. If a player is observed using a non-approved Composite Bat in a game the penalties are as follows:

- ii) In each Division, teams will be placed in a double elimination bracket.
- iii) Minor B and CAPS will have random draw for seeding in the end of season tournament. The Home team will be determined by a coin toss prior to the start of the game. The higher seeded team will be responsible for GameChanger, and the lower seeded team will be responsible for pitch count/scoreboard regardless of the result of the coin toss.
- iv) Time limits for all games will still apply during the post-season tournament, with the only exception being games tied after regulation, which will continue until a winner is determined. For Majors division, the 8th and subsequent innings will begin with a runner on second base. That runner will be the player who precedes the lead-off

batter that inning in the batting order. For Minor A and below, if a game has exceeded the time limit but is continuing to determine a winner, a runner will be placed on second base at the beginning of each half inning as above until winner is determined.

- v) The Winner's bracket winner will be the Home team for the Championship game, regardless of the seed number. "If game" Home/Away assignments will be determined by a coin flip.
- vi) Run Rules:
 - (1) 15 runs (or more) after three completed innings
 - (2) 10 runs (or more) after four completed innings
 - (3) 8 runs (or more) after five completed innings

 - (1) Each inning, all players from each team will be given one chance to bat with the final batter of each half of inning given the chance to run all bases to home plate (home run). Or:
 - (2) Each inning, half of the players from each team will be given one chance to bat with the final batter of each half of inning given the chance to run all bases to home plate (home run). In this case, the Managers from both teams will make all attempts to play an even numbered inning game to allow for an equal number of at-bats for each player.
 - vi) No parents (other than the Manager, Coaches, and team parent) are allowed to sit in the dugout.

 - (5) Any ball hit into play that hits the pitching machine or coach is deemed to be a dead ball. The batter is given first base. Forced runners will advance one (1) base. If a thrown ball hits the Manager/Coach operating the machine or machine, the ball is live.
 - (6) The Manager/Coach for the team batting will operate the pitching machine. The Manager/Coach operating the pitching machine will also be the field umpire and will call outs on the bases. There is a five (5) run rule per ½ inning.
 - (7) The defensive player in the 'pitcher' position will have one foot in the dirt and one foot on the turf on the opposite side of the batter when the ball is pitched. Special attention will be made to ensure the safety of the defensive pitcher player. The player is not to step in front of the machine between pitches.
 - (8) Two (2) Coaches will be allowed in the outfield. No defensive Coach is allowed in the infield.

 - i) Manager and Coach: No more than one (1) Manager and three (3) Coaches are permitted in the dugout. One (1) Coach should remain in the dugout at all times.
 - ii) Game and Safety rules:
 - (1) Minor B Division will use coach pitch for at least the first four (4) games of the season. Starting the 5th game, Minor B teams may use player pitching. The Managers of the Minor B teams are required to develop their pitchers through significant bullpen and game scenario practice prior to implementing player pitch. If insufficient time is dedicated to developing players, the Board of Directors may extend the number of games using coach pitch to a maximum of eight (8) games. During coach pitch, the maximum number of pitches a player will receive during an at-bat is five (5) pitches or three swinging strikes, whichever comes first.
